# Donations Help Dogs In Need

We were so blessed to have received so much support from our community and beyond when we recently helped the 50-plus dogs after their owner passed away.

We would like to take this time to thank everyone who donated items or financial support to help us in this endeavor. We are happy to announce that all but four of these dogs have been adopted. This is amazing!

We also want to thank Greene County Animal Control, Mayor David Crum, Commissioner Robin Quillen, Kathy Newton, Cindy Arrington, animal rescue groups, and our staff and many volunteers for all their hard work to make this a success.

One of the many wonderful young people who came to our aid was Jurnee Carr of Jurnee's Journey Foundation. Jurnee has always had a passion for animals. Her journey began when she first visited an animal shelter many years ago. She learned the truth about what happens when there are too many animals and not enough space to hold them

Jurnee is a Northeast Tennessee native, so a lot of the donations stay very close to home. We are excited that her foundation has sponsored 50 spay/neuter surgeries for the Greenville-Greene County Humane Society. That is \$2,500 worth of spay/neuter surgeries!

**HOW TO JOIN THE HUMANE SOCIETY:** Annual dues for various levels of membership are: \$10, adult; \$5, junior; \$5, senior citizen; \$25, family; \$50, sponsor; \$100, patron; and \$1,000, benefactor.

The adoption fee is \$100. Make checks payable to the Greenville-Greene County Humane Society and mail them to the Humane Society at P.O. Box 792, Greenville, TN 37744. Include your name and address.

We would like to thank everyone who has supported the Jurnee's Journey Foundation at the many fundraisers, and especially direct donations from Melissa Cook, Kathleen Hasson, and Don Packer. This donation was also made possible because of a large contribution from Dalton Direct Carpet and
